Why we should recommend MS Corp

It is with much enthusiasm that I am writing to recommend the services of MS Corp. We are still “new ones” in owning our own small consulting service company from home for C & I Electrical, Melodie has created credibility and built awareness for us in the services she provides. She is always available to assist and always does exactly what is expected of her. I am happy to recommend the services of MS Corp....If you have any questions, please feel free to contact us.

“Highly recommended, never misses an opportunity to help—WITH RESULTS”

-Gerhard Henning

How did it come about to use MS Corp

Q: Who referred us?

A: Bertie Oelofse working in the same environment and industry

Q: What will your readers want to know about your business?

A: Accurate, helpful, problem-solving information, result driven with a humble attitude. Offered her services to help my small business with bookkeeping functions, tax consultancy and even assisted with a dispute account that we could not handle. Someone you can count on!

“Reasonably priced with excellent service—only a phone call away”

-Ursula Henning
